

**FIND TRUCK PARKING WHEN YOU NEED IT.**

**Do you struggle to find safe places to park as you manage your federal hours of service requirements?**

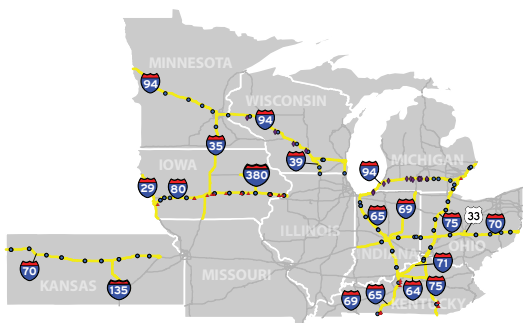

**8 MIDWEST STATES HAVE PARTNERED UP TO HELP.**

#### 8 STATES, 1 SYSTEM

This federally funded project represents a sustained effort to improve safety, efficiency and economic competitiveness. It will cover major freight corridors in Indiana, Iowa, Kansas, Kentucky, Michigan, Minnesota, Ohio and Wisconsin.

- + Lots selected based on trucking volume and parking demand
- + Reliable and consistent across the region
- + Open parking measured by sensors, entry/exit gates and/or cameras
- + Central data feed (not crowd-sourced)

Dynamic messaging signs let you know how many parking spots are available in real time.

#### GET RELIABLE, REAL-TIME PARKING INFORMATION NOW.

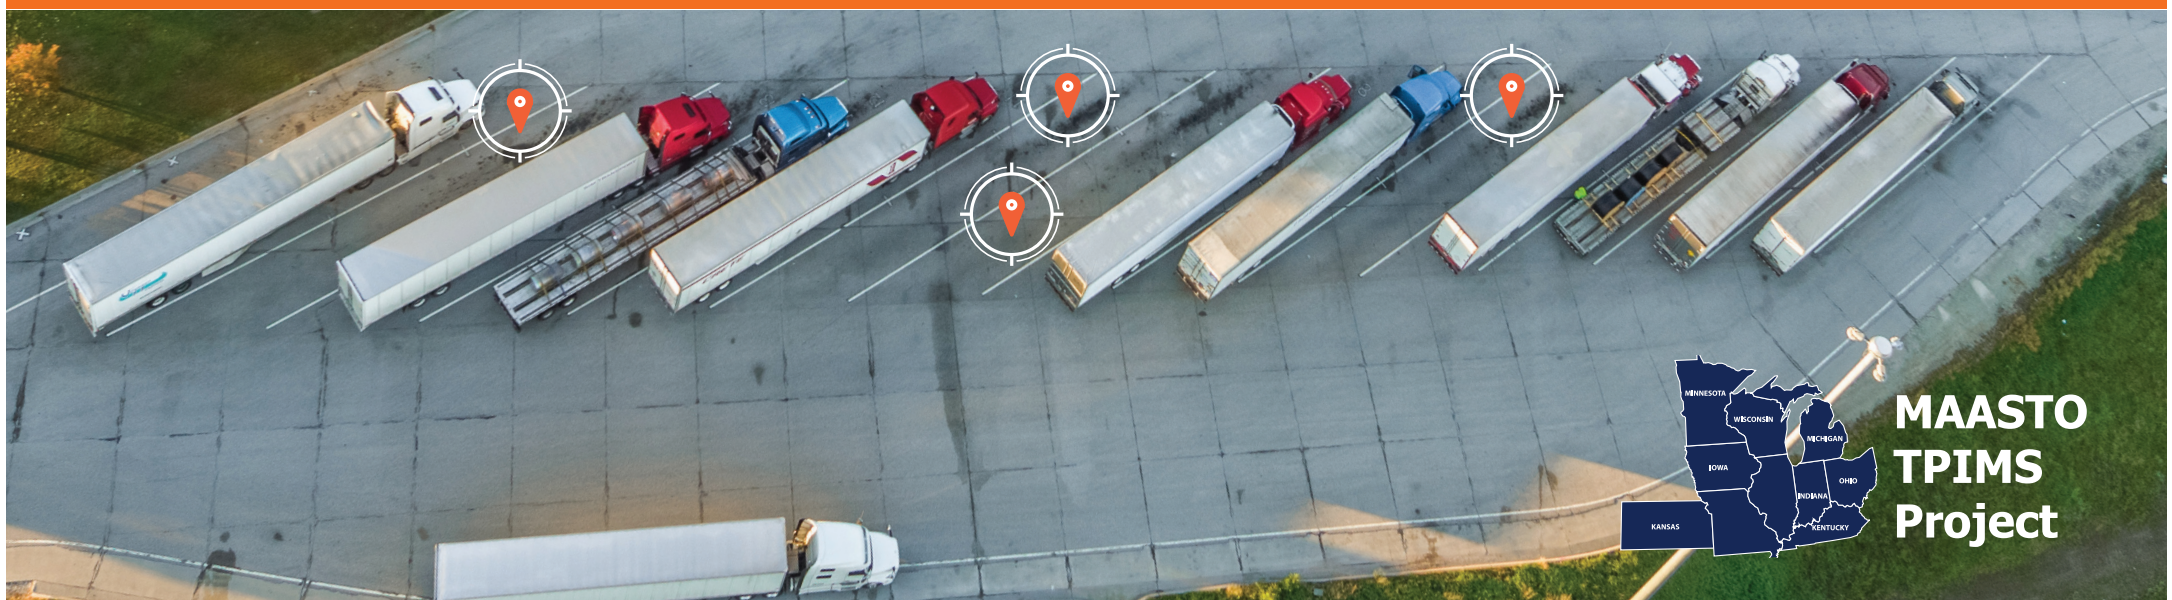

In-cab navigation

Smart-phone apps

Roadside signs

Traveler websites (5-1-1)
